01 About

MadGhost \$MGF is a community-focused, fast growing BNB Token, with 2% reflection (reward) to any holder for any transaction. \$MGF launched on March 8, 2022 and quickly became one of the fastest growing cryptocurrencies this year. As a community-powered token, MadGhost runs thanks to its great volunteers and nice donors.

Liquidity & Marketing

A fee of 3% will be charged and goes towards the liquidity pool to create a stable token, making it less susceptible to big pumps and dumps. The Liquidity Pool has been locked. For Marketing and further development 2% will be charged.

Community

MadGhost is a decentralized token and owned by its fast growing community. As a community-powered token, MadGhost runs and grows thanks to its great volunteers and nice donors.

Rewards

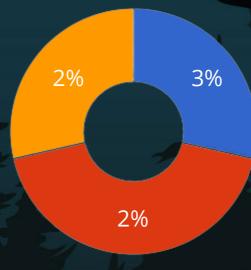

For each transaction in the MadGhost network (buy or sell), a reward of **2% is paid to all owners**. This means that you earn \$MGF by simply owning it. The more MadGhost is actively used, the more rewards each holder receives.
